

## Downtown Gets Spring Fever!

Spring has officially sprung in Downtown, thanks to the amazing efforts of Sherri Hahn from the Plant Farm, her crew of ten and the DSP's own Sharon Curtis, Clean Team and Security Ambassadors. On a Sunday in early May these DSP employees and crew made Downtown blossom with over 1,300 plants in the 58 planters in and around the core. Below is just a small sample of their hard work!

## Maple Street Off-Ramp Gets a Makeover

In addition to filling the Downtown planters with greenery and blooms, the DSP coordinated a volunteer cleanup effort for the second year to spruce up the Maple Street off ramp area. Unlike last year's efforts, which were mostly to remove trash and debris, this year focused on planting and landscaping the area.

As a result, thirteen volunteers removed 1,000+ pounds of plant debris, spread six cubic yards of bark mulch and planted two Juniper shrub trees and nine "Spokane" variety lilac bushes.

**Thanks to the following organizations for their contributions and support:** East Spokane Kiwanis, Downtown Spokane Kiwanis, Spokane Lilac Society, arborist Paul Heindl, Rogers High School Key Club, County Conservation District, Spokane Parks Department and the

Water Department. (see below for "before" and "after" photos)
